We are IT Talent

We are experts in identifying, selecting and recruiting skilled professionals across the IT and Digital spectrum. We have extensive UK wide experience and a proven track record operating across all sectors. Our ethos is simple: we work closely with our candidates to ensure they are placed into jobs they love.

How do we help you?

IT Talent operates with an extensive database of top tier clients who use us to find employees of all levels, for both contract and permanent positions.

Our senior management team have over
90 years
of collective recruitment experience

1. We'll get to know you and what your motivations are

It's important you have a job you really enjoy, so we find out what you're looking for and work accordingly. We'll also find out about your experience, qualifications and details to make sure we can find a job that suits you.

We've received 5 awards and accreditations

2. We'll find you a job that fits your skills and requirements

If we have any positions available that we think you'd be perfect for, we'll put you forward to the client. If not, we'll keep your details and be in touch if anything comes up.

We cover the whole of the UK

With offices in **Reading** and **London**

3. We'll offer support for interviews

If you get offered an interview, we'll give you personalised advice and tell you about what to expect. We talk to the clients first so we're in the best position to offer you useful information.

We place into all industries including
Technology, Education, Finance and Government

4. We'll help you negotiate the best deal

Whether you're looking for a higher salary, flexible working or anything else in the position, we'll help negotiate the best deal for you. It's in our interest and we want you to be satisfied with your new role!
